

President's Corner

My fellow Sportsmen,

Sorry for the late newsletter.

IT IS MY FAULT AND MINE ALONE.

I will not make excuses and will do my best to make up for it.

We, you and I, are "BLUE GRASS"! Blue Grass is also the past members who came before us.

I know that there are many of our members who don't know or understand that this club is the Premier Sportsmen's Club in the state. I didn't understand that myself until I became involved with the League of KY Sportsmen representing this club. As I still represent this club in the LKS and other organizations, I can verify that we are as prominent as we have been in my 13 years of service to this club. The club is very fortunate to have had great people involved in the past and we still have great people involved now. This membership owes a big pat on the back to Rick Allen, Rolly Beers, Dan Fister, Earl Mewhorter and Jeff Jones for the "current" dedicated service in representing Blue Grass to the LKS.

You are "BLUE GRASS"!

Hope to see you at the club! (With a guest)!

At Your Service,

Greg Delabar

president@bgsllinc.com

Next Meeting

Tuesday — May 1, 7:30pm

Please direct any membership concerns to the BGSLL bookkeeper at 859-858-4060 or e-mail at BGSLLinc.com

ROLL CALL

1. **MEMBERS PRESENT:** Delabar, Hager, Blackburn, Jacobs, Kass, McWhorter, Morgan, Maness Bowman, West, Inman, Combs, Gehlbach, Martin, Pinkston, Mulcahy

MEMBERS ABSENT: Burke, Burgess, Cox, Piotrowski, Tester, Fister, McClannahan, Steel, Garrett, Lyons, Barnes, Sanders, Ore

STAFF PRESENT: O'Neill and Riffell

President Greg Delabar called the meeting to order at 7:10 p.m. Secretary Hager called the roll and a **quorum was present**.

2. READING OF MINUTES

Motion #1 by Shaeffer, second by Bowman to dispense with reading the minutes and accept as written. Motion carried unanimously.

3. **SECRETARY'S REPORT - Secretary Hager stated there was no report.**

4. TREASURER'S REPORT

President Delabar presented the Treasurer's Report. **Motion #2 by Bowman, second by Maness to accept the Treasurers Report as presented. Motion carried unanimously.**

5. OPERATIONS MANAGER REPORT

Ben Riffell, Operations Manager reported on the improvements to the General Purpose Range. Mr. Riffell also reported that there was another timber harvest last month and there is timber for sale. Mr. Riffell also reported that the 2006 tobacco allotment of \$16,052 has been received.

Past President

John Burke..... 312-9165

BGSLL Chaplain

6. PRESIDENT'S REPORT

President Delabar noted that he has met with the Clubhouse and Lodge committee and operations personnel to outline an aggressive campaign to clean up the general purpose range. President Delabar stated that improvements should be visible very soon. President Delabar also noted that a member had complained about smoking in the clubhouse during meetings. President Delabar apologized for not enforcing this rule and stated he will be enforcing it at future meetings.

7. COMMITTEE REPORTS

Clubhouse and Lodge. Claude Jacobs noted that the bathrooms at the clubhouse, the clubhouse and foyer are being painted. President Delabar noted that the guest pass kiosk is up so that you can obtain a guest pass if operations is not available.

Constitution and Bylaws No report. Terry Morgan noted that the definition of an "open event" is not provided in the handbook or constitution and should be added. President Delabar stated that the Farm Committee and Wildlife and Natural Resources Committee would be combined.

Finance. President Delabar reported that on March 21, 2006 at 7 p.m. there would be a 6-month review of the budget including the capital requests.

Security. Mike Kass noted that the Infractions Voice Box has not been installed but will be installed soon.

Front Gate

Mike Kass reported that the arm has been installed on the gate and a computer chip is being shipped. Mr. Kass stated that the new cards that have been purchased will work and that he will be testing the system during the upcoming weekend. Mr. Kass stated that the new cards would be issued at the General Membership Meeting on Tuesday pending testing. Mr. Kass stated that there would be at least a 30-day grace period before the gate will be closed. Mr. Kass stated that the Security Committee would be determining the issue on access before the next Board meeting. Dr. Blackburn stated that each division should submit their access needs to the Security Committee by March 7, 2006.

Motion #3 by Pinkston, second by Jacobs to establish a list of volunteers from within the body of general membership to serve as a range officer for a predetermined period of time (e.g. 4 to 8 hours) on the weekend to be directed and overseen by the Security Committee. Volunteers would not be compensated. There was much discussion by the Board on this motion. Motion was withdrawn.

President Delabar stated that he would like to see the changes he mentioned in his report made at the General Purpose Range before having a member or employee assigned to the range. President Delabar stated that the membership needs to be educated on the rules of the ranges.

Motion #4 by Blackburn, second by Morgan to instruct each Division to have an introduction to their venue each quarter and schedule with the training committee. Motion passed unanimously.

Wildlife Committee Ben Riffell reported that 5000 sapling trees have been purchased and planted. Mr. Riffell also reported that Boy Scout Troop 98 will be performing a Forestry and Service Project on March 17th and 18th.

Motion #5 by Mulcahy, second by Blackburn to authorize the Skeet and Sporting Clays Division to harvest 4-7 ash tress and 2-4 oak trees down range of the shooting stations to prevent shot damage and ricochet hazards. The trees to be harvested will be used by the main club at the discretion. Motion passed unanimously.

Farm. Terry Hager stated that some hay and timber have been sold this month. Mr. Hager stated that the Farm Committee would like to purchase steers in April.

Membership. President Delabar announced that during the Boat Show 25 new members signed up. President Delabar also reported on the results of the Incentive Program to date. President Delabar stated that the membership committee is in need of members to assist with the newsletter and member orientation.

Youth. President Delabar reported that the Youth calendar is

available on the kiosk.

Training Committee. Brenn Combs stated that an instructor application forms are needed so that instructors for the classes can be approved. The Board approved Mike Pinkston as an instructor for the Conceal Carry Weapons Class on March 18, 2006 at the clubhouse.

Trails. Steve Martin submitted proposed rules for the trails committee and asked for suggestions or additions. **Motion #6 by Martin, second by Jacobs to allow guest with a member and after the guest pass fee is paid to horseback ride on approved trails.** Motion passed unanimously.

Technology Committee. Richard Gehlbach reported that they are working on getting DSL Service for Skeet and Sporting Clays Division.

OLD BUSINESS

1. **Newsletter.** President Delabar stated that John Ruland will be helping with the newsletter and encouraged Board members to provide input with the newsletter.

2. **Shotgun Venue.** Robbie Mulcahy updated the Board on the new skeet and sporting clays stations.

3. **July 4 - General Meeting.** President Delabar stated that he needed guidance on whether to hold the general meeting on July 4th and have a celebration similar to the homecoming celebration last year.

8. NEW BUSINESS

1. **Defibrillator presentation March 7th General Meeting.** President Delabar noted that Judge Neal Cassidy and Wendell Hatfield would be presenting the BGSL with a portable defibrillator next week at the General Membership meeting. President Delabar stated the Wendell Hatfield's department would provide training on the use of the machine.

2. **Signage Expense up to \$3,000 -** President Delabar requested expenditure of up to \$3,000 on signs. **Motion #7 by Maness, second by Shafer to spend up to \$3,000 on signage.** Motion passed unanimously.

3. **Henry Clay High School ROTC.** President Delabar stated that Rick Allen is requesting that the Henry Clay High School ROTC be allowed use of the Delabar Lodge to build a confidence Course and the use of the lodge would be fee exempt. **Motion #8 by Bowman, second by Maness to approve Henry Clay High School ROTC use of the Delabar Lodge on March 25, 2006 fee exempt.** Motion passed unanimously.

4. **Boy Scout Troop #473 and Boy Scout Troop #98 - Motion #9 by Maness, second by Pinkston to allow BSA Troop #473 the use of the camp grounds - fee exempt on March 11 and 12th and BSA Troop #98 approval to do a forestry and service project on March 17th and 18th.** Steve Martin noted that a trail ride is proposed for March 11 and may be a conflict. **Motion passed unanimously.**

5. **Ky District Fish and Wildlife Resources Instructor Workshops.** President Delabar stated that George Mountjoy has requested the use of the Main Clubhouse and Delabar Lodge for an Instructor Workshop Continuing Education for Kentucky Hunters Education Instructors. **Motion #10 by Mewhorter, second by Combs to allow the KDFWR use of the clubhouse and Delabar Lodge on April 29 for a continuing education Instructors Course.** Motion passed unanimously.

6. **BGSL Fish Fry** President Delabar stated that the Kitchen Division is requesting June 24, 2006 from 5 to 8 for the Fish Fry. Claude Jacobs stated the he would like to see the club get back to having the fish fry as a membership drive. Walter Bowman stated that July 4th would be a perfect day for the fish fry and celebration. **Motion #11 by Jacobs, second by Maness to approve June 24 or July 4th for the date of the fish fry with the final date to be decided pending approval from the Kitchen Division President.** Motion passed unanimously.

8. MOTIONS:

Motion #12 by Blackburn, second by Morgan to approve ATA shoots for the Trap Division on March 19, March 26, April 2, April 9, April 29, April 30, May 20, May 21, June 11, June

18, July 9, July 30, August 27, September 2, September 2, September 4, September 10, September 24, October 1 and October 15, 2006. Motion carried unanimously.

Motion #13 by Kass, second by Bowman to approve the Bass Division Tournament Dates: March 10 and March 11 - Dale Hollow Lake, April 2 - Herrington Lake, April 15 - Kincaid Lake, April 29 and April 30 - Lake Barkley, May 20 and May 21 -Barren River, June 2 - Herrington Lake, June 16 - Herrington Lake, July 7 - Herrington Lake, July 21 - Guist Creek Lake, August 11 - Herrington Lake, August 26 - Lake Cumberland, September 16 - Youth Tournament, September 30 - Green River Lake and October 14 and 15, 2006 - Classic Rough and Nolin. Motion carried unanimously.

Motion #14 by Blackburn, second by Combs, to approve open shoot dates for Trap Division on March 5, 12 and Thursday nights March through October. Motion carried unanimously.

Motion #15 by Inman, second by Maness to approve an Invitational Open Shoot to be held May 26-27 at the Muzzle Loader Division. Motion carried unanimously.

Motion #16 by Jacobs, second by Martin to set the maximum of members to 2500. This should build a waiting list which will build ownership to existing members and create a waiting list. Membership has not been full for 4 or more years. There was much discussion on this motion. Motion #17 by Maness, second by Kass to table the motion. Motion to table motion #16 passed unanimously.

9. OTHER BUSINESS

- Ken Maness stated that he would like to pursue grants that are available for the Archery Division's Youth Program.
- Mike Pinkston stated that he would provide information on a tax deduction for up to \$250 at the next meeting.
- Letter from Thomas Spaulding. President Delabar read the letter from Thomas Spaulding regarding the proposed new lake. Walt Bowman stated that information should be placed in the Sportsmen's Trail asking if any member had geotechnical investigation experience to help on this project.

Meeting adjourned at 10:45 p.m.

New BGS� Guest Check-in Policy

The new guest check-in kiosk is now operational and located in the foyer entrance of the main clubhouse. All BGS� members that bring a guest can now obtain their guest pass at this facility. The policy will be an honor system and will be in place when you get this newsletter. In addition to this kiosk you will now be able to pick up and pay for guest passes from "Open Division Events" as they are scheduled and convenient to you.

You will be able to fill out the guest pass, sign it, remove and keep your copy, stuff the original and your money (\$10 per guest) in a provided envelope and deposit it in a slot. At this point, you're covered and can go to the range and enjoy the facility. We feel this "Honor System" will enhance your membership and increase the productivity of our Operations staff. You still can contact the operations personnel if you would prefer or your situation requires their assistance.

Always remember, if you bring a non-member to the club, and you intend to shoot on the ranges or fish in our waters, you must obtain a guest pass. If you just want to show them around, hike or camp you do not need the guest pass. This new policy is a nice recruitment tool you now have at your disposal to start accumulating your sponsored recruits.

Skeet and Sporting Clays Division

Fellow Members,

Skeet and Sporting Clays will sponsor an introduction to these venues on Saturday, May 6th, 2006. We would like to have you register for this event so that we can anticipate the needed personnel to support this effort. Under a new resolution passed in the February BGS� board meeting, each venue will hold an introduction for club members once a quarter. This will be Skeet and Sporting Clay's first offering in support of this resolution. Please contact Terry Morgan at tcmorgan1@alltel.net by e-mail or phone him at 859-858-4360. Further details will be handled by either of those communication methods. We will have a morning class starting about 10:00 A.M. and an afternoon class starting at 2:00 P.M. Hope you can participate.

During the past few years the popularity and growth of shotgun sports has significantly increased. Individuals find the sport provides various opportunities for family recreation, hunting practice, benefit fund raising, business networking and competition events. Currently, Blue Grass Sportsman's League has six trap fields, two skeet fields and two sporting clays courses, providing a variety of shooting venues. Recent addition of new skeet traps, automated sporting clays traps, club carts and voice-automated trap fields has been acknowledged by our members and their guests.

The Skeet and Sporting Clays Division is offering the following to members of the Blue Grass Sportsman's League.

\$2,000	Life-Time Divisional Membership – 115 Sporting Clays 100 bird rounds at \$10 each. Shooting Station Sponsorship and Plaque Recognition.
\$1,500	Life-Time Divisional Membership – 75 Sporting Clay 100 bird rounds at \$10 each. Plaque Recognition.
\$1,000	Life-Time Divisional Membership – 50 Sporting Clay 100 bird rounds at \$10 each. Plaque Recognition.
\$500	20 Sporting Clay 100 bird rounds at \$10 each. Plaque Recognition.
\$250	10 Sporting Clays 100 bird rounds at \$10 each. Plaque Recognition.

***100 bird sporting clay rounds remunerable by individual member only.**

Donations of any amount are appreciated.

Response to these donor opportunities has been extraordinary. Since its inception we have implemented an automated 100 Sporting Course, automated 5-Stand. We are currently seeking donations to complete a 5-Stand shooting deck, provide new Sporting Course shooting stations and sporting course road. Our goal is to provide automated 5-Stand and 2 100 Sporting Courses for daily use. The expectation is to provide our members an unsurpassed exclusive shotgun sports facility.

Thank you,

Officers, Directors, Sporting Clays Committee

(Donations may be made at the Skeet and Sporting Clays Division during operating hours or be made payable to BGS� Skeet and Sporting Clays and mailed to: 3061 Old Field Way, Lexington, KY 40513-1724)

NRA Women on Target @ the BGSL

May 20, 2006

Start Time: 8:30 a.m.

Pre-registration Required

A special day just for the ladies! We will have instruction in 5 venues, (Shotgun, Rifle, Pistol, Archery and Black Powder). There will be instructors for each venue that can take you through the basics to advanced levels. The program will supply equipment, firearms, ammo and targets. Lunch is provided and there is a \$10 fee.

Pre-registration is required. May 10th is the deadline and this event will be limited to 50 participants.

APRIL 29th COWBOY MATCH 12:00

Come have an awesome time with cowboys & six-shooters, 12:00 Noon at the Pistol and Bull's-eye Ranges. Lunch and then lots of fun.

MAY 13th AIR GUN 12:00

If you think shooting BB guns is fun, then you'll love air rifles. These guys have some of the coolest guns and targets anyone has ever seen. So, come on down for some real fun!

JUNE 2nd, 3rd and 4th

10th Annual FAMILY FUN DAYS

This event is sponsored by the LKS and NTWF and is open to anyone in the state. Join us Friday evening for a potluck dinner and Saturday morning with breakfast. The entire day is stacked full of shooting sports and other events. Saturday evening is a HUGE pig roast, mmm... Sure is GOOD! This is one of the biggest events for the BGSL all year. So, bring your campers, tents and a hungry belly on down for a good time.

As always S.C.O.P.E. and BGSL youth events are open to you and any friend's, families and groups that you want to bring or let know about our program.

(Feel free to pass this flyer along to anyone you may feel is interested.)

And there are usually no costs. Come on down to the club and let's have some fun!

Pistol Division

Several pistol division members competed in the 2006 Bluegrass Winter State Games at Morehead. We participated in several events including .22 pistol, .22 rifle, air pistol and air rifle. All of us won medals. I competed in three events, winning gold (1st place) in all three events. But to be honest, I have to tell you what John said about my medals. "Yeah, mom you came in first in all your events but you also came in last in all of them!" Yep, he's right, I was the only woman competing - too bad for women who stayed home. Everyone else from BGS� won medals - they had people to compete against - and we all had a great time.

Winter has not been kind to IDPA matches at BGS�. Still, wind, rain, cold and snow have not kept shooters home on match days. Hopefully we will enjoy better weather at the next match, April 15.

USPSA/IPSC matches continued in spite of the weather. The next match will take place April 2 or May 7 - depending on when you receive this newsletter.

Cowboy Action Shooters began their season at the club on March 26. The next Cowboy match will be held April 23. There will be a S.C.O.P.E. Cowboy match April 29. Gather up your young buckaroos and join in the fun.

Bull's-eye shooters have left the comforts of indoor shooting and moved back outside. Practices are Wednesday nights from 6 - 7 at the bull's-eye range with matches the second Sunday of each month.

Carole Bryant

BASS DIVISION

There are only so many times that you can wash your boat, re-organize your tackle and re-spool your reels. That time has come and gone. It is time to go fishing. The season starts March 11th and 12th at Dale Hollow. Anyone in the BGS� should consider going with us, it will be a fun weekend. If you don't think you can handle a whole weekend for the first time out, then consider April 2nd at Herrington Lake. You can qualify to fish the classic without going more than an hour and a half from Lexington. All you need is the desire; we will teach you to fish and the more fishermen the better.

The 2006 Schedule is as follows:

April 02	- Herrington Lake
April 15	- Kincaid Lake
April 29 th & April 30 th	- Lake Barkley
May 20 th & 21 st	- Barron River
June 2	- Herrington Lake Night
June 11	- Herrington Lake Night
July 7	- Herrington Lake Night
July 21	- Guist Creek Night
August 11	- Herrington Lake Night
August 26	- Cumberland Lake Night
September 30	- Green River
October 14 th & 15 th - Classic	Rough River & Nolin

If you think you might want to try it, just call any one in the Bass Division or call the President, Rudy Tester 255-6560.
I can't wait to get started and I hope to see you there.

Morgan's Meanderings

The first thing I would like to do this month is thank those of you who communicated with me about your feelings, ideas and concerns. They were insightful, positive and well received. I plan to incorporate as much as I can of your communications into these monthly ruminations.

As I listen to members comments (some intended and some unintended), I feel that the root of many of these comments is “*change*” more than anything else. This bugaboo of a word causes some people’s pulse to flutter rapidly with anxiety because they have the dread that what they have become comfortable with and know how to handle is going to become just the opposite. This always causes various levels of frustration in anybody and makes us want to say and do things that will cause the change not to take place. On the other hand, this same word causes the titillation of anticipation in others because they feel that something that they are not entirely satisfied with will become better and they are anxious to see and participate in what they think will be something new and exciting.

Well! In my view neither one of these views is right or wrong but each of us usually ends up on one side or the other of this fence and hopefully these contrasting views will lead to debate that will help level the differences between the parties or it could lead to severe confrontation whereby a distinct split takes place. I guess that is one of the good/bad things about a democratic institution. We can choose to participate with the group that won the vote or we can choose to secede and form our own group. Sometimes “it is good to be king” as Mel Brooks would say.

I would be the first to admit that as a democratic institution, the BGSL has made many a blunder when it comes to spending money or “improving” things. (Do I need to mention the lake?) Can you tell me of one democratic institution that you know of that has not made mistakes like that? It comes with the territory. Instead of throwing up your hands in frustration I would urge you to become more of an integral part of the League and join in the process. Form a group that has an agenda to propose. Attend board meetings and get the straight skinny as well as voice concerns and listen to rebuttals. Some things might appear to be foolish or poorly thought out, but if you had an opportunity to hear what was behind most of these decisions, you would more than likely change your mind or at least understand why they were made, even if you did not agree with them. The people who serve on the board put in many hours a month as committee members in addition to the 3 to 4 hours they spend on the last Tuesday of the month (7:00 till 11:00 P.M.) to try to make things work.

Now how does all that fit into the concept of change? It fits because change is constant and unrelenting. It is either going on slowly or quickly but is undeniable. Lots of different things foment change and many of them are from outside sources that we cannot anticipate easily.

One of the members that wrote to me was commenting on change in the sense that he has, in his 60 years of life, had the opportunity to belong to six different gun clubs in different parts of the country. He was taught his basic gun concepts by a Marine. He commented that BGSL is the only club he has belonged to that has a “brass” problem. Our biggest brass problem is on the General Purpose Range. This is essentially the only range we have that is not “sponsored” or supervised by a group of people with skills and experience. How will we transfer those skills and experience you members have to our new and upcoming shooters? I hope it will be by example and friendly and courteous interaction with those who obviously do not know the etiquette of a range (such as turning on the “cold” range lights and claxon when you go down range), sweeping up brass, putting guns on the table when safety requires it and so on. Many of our people evidently have not had the opportunity to participate in the routines of proper range safety and thusly do things that evidence a lack of experience. They can only learn if we give them the benefit of our experience. This is change in action. The new is replacing the old, slowly but surely. It is only right and proper that the new benefit from the old. Be a Big Brother if necessary.

I hope to see you next month via the newsletter and please don't hesitate to communicate with me.

Terry Morgan

Muzzle Loading Division

We have had some good shoots this year. The winner of the January aggregate was John Ruland and Harold Moore the winner in February. We also had a woods walk shoot the fifth Sunday in January and first place went to Harold. We have been busy planning our calendar for the year. The Lexington Parks and Recreation has invited the division to participate in the McConnell Springs Founders Day event on May 20th with club members being in period dress and setting up an encampment for that era. We plan to participate and if you are interested, call Archie Hillard @ 859-748-0499. This is a good way to promote the historical era we portray and to also promote the division. We have our open shoots the fourth Sunday of each month and any month with the fifth Sunday, remember to attend our woods walk shoot. So, come on out and shoot with us.
